

# THE CAMERON HERALD

ESTABLISHED 1860

VOLUME NUMBER 96

CAMERON, MILAM COUNTY, TEXAS, THURSDAY, September 22, 1955

NUMBER 24

## Police Funds Drop; Streets Gain In Budget

City Dads have adopted a new budget calling for expenditures totaling \$72,901.46.

Income is expected to be \$76,101.46 based on 90% collection of taxes and other collections which include revenue from the new Culpepper addition which amount to approximately \$32,000.

City officials state that some of this amount from Culpepper, approximately \$2,500 will be spent for street disbursements. This will bring the street disbursement figure for the fiscal year up to \$26,300, about \$2,000 more than in 1954. Expenditures last year were \$68,277.97. The only marked difference between this year's financial program and the 1954 being the police fund. It was cut from \$10,600 to \$7,225 and could mean that the city has dropped thought of hiring an extra man on the force.

## Marshall Warns Of Illegal Firing Weapons In City

Marshall Joe Richter warns those who may have 22 calibre rifles and air rifles that the fine might exceed even the cost of the firearms if they are discharged within the city limits.

Several instances have been reported of firing the weapons within the city and the Marshall is now in a mood to crack down on violators.

## Yoe In Class AAA Next Year Football Specials Nixed

Cameron is no longer a "Big Fish" in a little pond but has vaulted into Triple-A football competition by a decision of TIL Tuesday night.

Average membership in a school is the criteria for the class of competition and Yoe is the smallest team in the new AAA district with four more scholastics than minimum requirements of 27.

Largest team in the district beginning September 1956 will probably be the Killen entry having the largest manpower pool. Other teams are Brownwood, University High, Waco, Stephenville and La Vega.

This classification will stand for two years before review by Interscholastic League officials. Coach Jackson seemed almost to be dumfounded at the prospects of such odds against his Yoemen. "It's going to be rough," followed by a long period of silence for emphasis was all he could comment on the arrangement.

## Football Specials Called Off for '55

No Killen or Belton special trains can be sponsored by the Jaycees this year because of precipitate rises in the "Cost of Living" for railroad systems.

A \$500 guarantee by the Junior Chamber satisfied the railroad treasury in '54 and this was made with money to spare, all of the \$550 plus going to pay for transportation. But NOW, a few retirements later, officials of the railway system feel that their services are worth nearly three fourths more than before. Cotton farmers in the Jaycees were unable to understand the rise.

Some "High - financing" by the Jaycee bargainers brought the Santa Fe demand down from \$900 to an \$850 guarantee but they threw in the sponge when efforts failed to bring the price closer to their make good possibilities.

On the brighter side the Jaycees, had another barbecue sandwich and voted to send an FFA boy to the national convention of the Future Farmers in Kansas City soon.

## Heart Attack Claims Mr. Archie McLerran

Mr Archie McLerran, 60, died of a heart attack Monday, Sept. 19, at St. Edward Hospital in Cameron.

Born October 8, 1894 at Jones Prairie, Texas, Mr. McLerran was a mail carrier for over 35 years. He was a member of the Masonic Lodge and Woodmen of the World.

Active pallbearers were W. A. L. Robinson, H. H. Chamberlain, Grady Stidham, Carl Black, Tom Stidham, Narvie Caperton, Conn Isaacs, and Hilliard Thomas.

The funeral arrangements were made by the Marek - Burns funeral home in Cameron. The service was held at Little River Baptist Church at 2 p.m. Wednesday with Rev. Aubrey Russell in charge and burial in the Little River Cemetery.

Honorary pallbearers were the employees of the Cameron Post Office, Carleton Crook, E. B. Yager, and Fred Folschinsky.

Surviving Mr. McLerran are his wife, Mrs. Pearl McLerran of Cameron; his mother Mrs. Carrie McLerran also of Cameron; a son, Ralph McLerran of Beaumont; a brother, Robert H. McLerran of Monrovia, Calif.; two sisters, Mrs. B. N. Goodwin of Fort Worth and Mrs. H. R. Edwards of Dallas.

## New Law Concerning Minors And Alcoholic Beverages

I desire to call your attention to House Bill No. 602, passed at the recent Regular Session of the Texas Legislature, and which will be effective at 12:01 a.m., Sept. 6, 1955. This Bill amends Section 17 (14) Article 666 VPC. Heretofore it has been an offense subject to up to a one hundred dollar fine for a minor to purchase any alcoholic beverage.

The new law not only retains this provision but is enlarged to include possession or consumption of an alcoholic beverage by any minor in any public place, which means practically any place except in a private residence.

I call your attention to the fact that any person who sells to a minor is liable for a fine of \$1000 and a year in jail. Section 26 (b) and Section 41 - Article 666 VPC.

I know, said Robert A. Smith executive director, that all right thinking persons in Texas are concerned about the waywardness of certain juveniles, and this letter is meant to inform you of the new law, and is meant also to be a plea for your cooperation with the legalized beer industry in Texas in an attempt to eliminate unlawful beer drinking by juveniles. We shall be grateful for your cooperation.

## Milam County Farm Bureau Queen Wins District Title in Waco

Mary Evelyn Smith is the proud possessor of the title "Queen of District No. 8" of the Texas Farm Bureau. She competed against 6 other county queens from the other six counties comprising District 8. She will make an all - expense paid trip to the state convention in Fort Worth in November.

She was accompanied to Waco for the competition by her parents Mr. and Mrs. Harry W. Clark of San Gabriel and her grandmother Mrs. Media J. Clark.

Other Milam County representatives attending were Mr. and Mrs. S. W. McClaren Jr. and son David. Mr. McClaren is director of District 8 of the Texas Farm Bureau. Also Mr. and Mrs. John A. Smith Jr.; he is president of the Milam County Farm Bureau; Mr. D. M. Phillips, president of the Thordale chapter; Mr. Oscar Gientze also of Thordale; Alice Hughes, county Home Demonstration Agent; and Miss Lenora Bicket, secretary and treasurer for the Milam County Farm Bureau.

## Committees And Projects Approved By Legionnaires

Commander Wayne Mann gavelled about three dozen Legionnaires to order and dispatched the business of an agenda in short order Tuesday night with unanimous approval of projects and committees for '55 - '56 including: Membership campaign, Veteran's Day program; Youth program; Public Relations committee; Athletic and Recreation committee; Committee on Housing, Finance Information and Arrangements. Discussion of a traditional Veteran's Day was held.

## Cameron Growing Pains Pointed Out By Lion Speaker

Lions were told Tuesday that the Cameron water purification system is woefully inadequate since it was built for the country town of Cameron about the turn of the century.

Mr. Clifford Thompson, city councilman, was the speaker which Lion Don Humble obtained to tell of the needs of the city.

Thompson pointed to the population increase as indicating need for expansion of the water and other municipal services. Also coming in for attention was the proposed charter which will be subject to a vote of the people within a short time.

Red Cross nurses pictured here seem to be calm and cool (from the large fain trained on them) after having collected a GALLON of blood from each of the male donors seated on the tables immediately following their eighth pint of blood donated in behalf of the Red Cross effort.

"GALLON CLUB" members are: reading left to right: F. E. Jackson, W. T. Hanes, Dean White and C. J. Sutter.

## KMIL Hits The Air Ways On 1330 Saturday Morning

### Attention! Persons Interested In Educational Problems

The Milam County Conference on Education will hold an open meeting Monday night at 8:00 p.m., Sept. 26, 1955, at the Yoe High Auditorium in Cameron, Texas. This conference is the first in a series of meetings, county, state, and national, to focus citizen interest on problems of education, and to search for possible solutions. It is a meeting of laymen and educators to identify, discuss, and seek solutions to their educational problems. The committee working on this conference urges all interested laymen to participate in this meeting. The following subjects are to be discussed and recommendations from Questions 3, 4, and 6, are to be carried to the District Conference on Education to be held early in October.

1. What Should Our Schools Accomplish?
2. In What Ways Can We Organize Our Schools More Efficiently And Economically?
3. What Are Our School Building Needs?
4. How Can We Get Enough Good Teachers And Keep Them?
5. How Can We Finance Our Schools - Build And Operate Them?

6. How Can We Obtain A Continuing Public Interest In Education?

7. What Educational Opportunities Should Be Provided For Adults?

8. What Provisions Shall We Make For Higher Education?

Again let us urge YOU to attend this conference.

### Dr. Charles Kelso Visits "Homefolks"

Dr. Charles M. Kelso (University of Houston) superintendent of the Angleton, Texas, Schools for the past six years was a Cameron visitor Saturday the 17. The educator declared that he was visiting his old "Stomping Grounds," and renewing acquaintances. In '29 he graduated from Yoe High. He later taught in Brewster County, Fairview school at Thordale, one year as principal and coach in Gause, nine years as principal and superintendent in West Columbia and one year at Sweeny.

Kelso recalled the tedious hours he worked at the old Bigbee Boarding House for Mrs. Lottie Bigbee. The Denson Clinic now occupies the site of the old fashioned but not soon forgotten boarding house.

### "1330" Announcers From Old South

If y'all hear a pronounced d-r-a-w-l coming loud and clear over station KMIL, 1330, soon you will know that station manager Glenn Abercrombie has acquired a couple of "Sutherners sub."

Hugh Hall of Kentucky and Joe Liber of Alabama are on their respective ways via "Mule-train." The manager expects them to arrive in time for official "Ether Wave Breaking" on Sept. 24.

A report from Omaha, Nebraska tells of KMIL coming over loud and clear. In such case the station cast might be able to persuade the entire west that "The South Shall Rise Again."

### Your Used Clothes Can Help Kiwanis Education Program

Teh Kianis Club's under - privileged children's committee need clothing for a family with four school children; one boy, 13; one girl, 11; and one 11 years old. Also some other young children who need clothing to attend school.

Used clothing in serviceable condition will be picked up by calling the following members. Dr. Bryson at 726 or 1346; Allen Dodson at 127, Forrest Sapp at 198 or Dr. Howard at 184.

## Inspired Yoe Foe Wins 27-0

The final play of the Yoe - Lampasas game was almost as breath taking as was the first play. John Duncan fell 23 yards short of the goal as the game ended while Mr. Scott of Lampasas kept to the high road on the initial kick - off and was not to be denied six points.

Touted as favorites at game time the Yoemen were still the favorites with the homefolks at the final whistle but were 27 points behind the winning Badgers.

The trouble with early season prestige gained from the inspired play of men like Badgers Ringo and Geddes is the false pride and satisfaction coming early in the season only to be dispelled when the rows get short and obstacles are great when the playing for keeps sets in later in the season. This is borne out by the glowing pre - season victories of neighboring Rockdale in the cellar position as recorded by district historians.

The powerful ground game of Alvin Ringo and George Geddes backed by an inspired crew of blockers from Lampasas started early in the game and stayed late was bolstered by the first kick-off touchdown by their mate seemed to take the starch out of the Yoe defense. Yoe never seriously threatened the visitors goal line until the final seconds of play when Duncan received a pass from Elliott and moved the ball from the 45 to the Lampasas 23.

The pass completions of Coach edge was made insignificant because of the fabulous toe of Badger Geddes who booted a spiraling punt from deep in his own territory to wind up on Cameron's five.

In statistics Yoemen exceeded the visitors in first downs but this Jackson's attack showed promise of being a regular season bulwark.

### Area Research Foundation Steps Taken At Meet

The initial regional meeting of the Texas Research Foundation, held at the Cameron Country Club recently, was chairmanned by Mr. Oxsheer Smith, president of Citizens' National Bank.

### Future Farmers Also Businessmen

The Yoe High FFA Chapter constructed a concession stand at Yoe High stadium for the opening football game. The building is 14x20, has concrete floor, wood frame, and metal siding and roof. This is permanent type building that will serve all concession purposes for Yoe High stadium.

The FFA Chapter will operate the concessions again this year at the football games.

### S. S. Representative Here September 27

The regular visit of the Social Security Representative to Cameron Texas, will be Tuesday, Sept. 27. You are invited to contact this representative at the Department of Public Welfare at 1:00 p.m. This community service is offered by the Austin office of the for the convenience of residents of this area.

KMIL will be on the air on Saturday!!

1330 is the number to remember ... just throw your tuning button away after you get your radios set on that number and you will be assured of good listening.

At 5:30 a.m. Saturday September 24 the Milam County station will make its official debut on the ether waves. From that time forth you can get KMIL daily and Sunday from 5:30 a.m. till sundown.

Manager Abercrombie will release a full schedule of programs for the station within a short time, LOOK FOR IT.

### Yoe Council Named For Term

Members of the Council this year are as follows:

Seniors, Nick Nabours, Elizabeth Newton, Thodora Hndrson, Barbara Mondrik, Betsy Vogelsang, and Annetta Shelandier.

Juniors, Billy Knipp, Barbara Young, Dorothy Dillon, and Rita Moraw.

Sophomores, Lorene Conley, Janice Bridges, and Peggy Burk.

Freshmen, Billy Hensley and Mary Jane Vogelsang.

Sponsor for the first semester is Mrs. C. L. Canady.

After two days of politics and speeches, Betsy Vogelsang was elected by the Yoe High student body, as Student Council President for 1955-56 on Friday, Sept. 9. Nick Nabours ran a close second and was installed as vice president.

On Tuesday 13, the Student Council met to elect the remaining officers. Theodora Henderson was voted, by acclamation, to fill the position of secretary. Barbara Mondrik was elected treasurer while Annetta Shelandier received the most votes for reporter.

Barbara Jo Young, Billy Hensley, and Peggy Burke were named to make posters for the Cameron-Lampasas football game.

Dorothy Dillon, Barbara Mondrik, and Theodora Henderson will lend their skillful hands to mend the American flag so that it can once more wave over the campus.

Elizabeth Newton and Theodora Henderson will line up the homeroom classes and clubs for assembly programs.

## Beauties Vie For Band Sweetheart

The contest to determine the sweetheart for the Yoe High School Band for the year 1955-56 opened Thursday, Oct. 15. This contest will run for two weeks, ending Saturday, Oct. 1, at 8 o'clock in the evening. The winner will be announced at that time, and this young lady will immediately take her place with the band. The Sweetheart will be officially presented to the public at the Taylor - Cameron football game on the night of Oct. 21, at Yoe High stadium.

Girls now in the race for band sweetheart are: Jane Russell, Bobby Edmonds, Faye Angell, DeLois Pimpler, Elizabeth McDermott, Wanda Kirk, Nell Gooch, Wanda Small, Flora Pawelka, Caroline Cummings, Colleen Dameron, Shirley Warren, Joy Warren, Agnes Sheguit, Mary Harwell, Mary Athey, Dawn Allison, Jeanette Taylor, Patsy Veazey, Judy Miles, Mary Ingram, Inez Dodd, Mary Fikes, Geraldine Davidson, Thelma Hayes, Betty Lou Heinz, Lydia Slavik, Jeanne Solomon, Lamelle Fikes, Ann Holloway, Beulah Edmondson, Bertha Horelica, Bernice Vansa, Beverly Daskicil, Vlasta Hrachovy, Betty Shuffield, May Eisfeldt, Emma Ruth Hearne.

## The Herald Still Running Understaffed

The Herald is still running short handed due to the prolonged illness of Mrs. B. Hunt White. Word received Tuesday reported her condition improved and she is expected to return to her desk here at the Herald the first part of next week.

Monroe Marek returned Monday to his job here at the Herald after his recent bout with the whooping cough.

## Housing Planned For Cameron Clubs

A composite club activity now taking form in Cameron is the "Community Building Planning Committee."

The Lions Club had five representatives, the Kiwanis Club three, and the Jaycees three at the organizational meeting Wednesday night at the Denson Clinic.

Nominations for chairman was preceded by a prayer of the group led by Rev. Bowley. Dr. Charles Howard was made permanent chairman with Jimmy Wiggs as secretary and treasurer.

Committees set up were: Building, Publicity and Consitution and By - Laws.

Purpose of the building committee is to discuss the needs for the proposed building, determine the size and place for it and obtain plans and estimated cost. This committee is composed of E. A. Perrin, chairman and members A. W. McCullin, Earl Curtis, Robert Carr, Ben Magness, Frank Heitman, Gene Blake and Milton Schiller.

Publicity committeemen are Richard Williams, chairman; Jack Slaughter and Milton Brown members.

George Bowman is chairman of By - Laws committee with Bill Black, Guy Clements, Rev. H. M. Bowley and Mrs. Ida Belle Lewis assisting.

The proposal is to bring about construction of a building suitable for use by social and professional organizations of the city as well as a meeting and recreation place for scouting groups and other children organizations.

N. L. Caperton was temporary organizing chairman.

### Mary Ann Piling Is Nurses Trainee

The Herald crewed in stating that Miss Mary Ann Piling is attending a business school in Austin.

The young lady is in nurses training at the Scott and White Memorial hospitals in Temple. This word was received in the Thursday mails.

### Tulane-Texas Renew Rivalry After 32 Years

Two football teams in various stages of rebuilding meet in Austin next Saturday, Sept. 24 to renew a rivalry which has been idle for 32 years.

The participants in this football feud which was very active around the turn of the century are Tulane University from neighboring New Orleans and the University of Texas.

A national figure on the football scene just a few years ago Tulane suffered misfortune, but the Greenies are making strides toward recovery of their grid reputation.

Coach Andy Pilney's second edition appears to have the offensive vigor and versatility to launch a comeback successfully, and although the team is young, optimism is higher than at any time in the past three years.

The 1955 Tulane club is blessed with greater speed, and like Texas, claims its greatest strength in the middle of the line. Guards Tony Sardisco and Bryan Burnthorne, especially, are tried and true performers and rank high among the Southeastern Conference's best.

Actually the Greenies' record last year was deceiving, for although they won only one game, lost six and tied three, only bowl participants Georgia Tech, Mississippi and Auburn could score more than two touchdowns against them. At one stage, Tulane held opponents scoreless for 10 consecutive quarters.

While Texas was meeting Texas Tech last week, Tulane tackled VMI, so Saturday's engagement is the second of the season for both teams. It also marks the beginning of a four-game home-and-home series which extends through 1958.

Texas and Tulane last met in 1923, and on that occasion, the Steers scored a 33-0 victory. The Longhorns have dominated the series with seven victories and a tie to their credit in nine attempts. Tulane's lone triumph came in 1908 by a 23-15 score.

The complete series record:

1904-UT 12, Tulane 0  
1895-UT 16, Tulane 0  
1896-UT 12, Tulane 4  
1899-UT 32, Tulane 0  
1899-UT 11, Tulane 0

### Bulldogs Tie Panthers 7-7

With a bare edge in statistics the O. J. Thomas Bulldogs fought the Temple Dunbar Panthers to a standstill count of 7 all before an estimated 1500 fans at Woodson field in Temple Wednesday night.

Coach Aycox praised the work of linemen A. L. Knox, Q. C. Pratt; W. Williams and T. Minnett declaring their work to be a stand-out of the Bulldog effort. Play of the team was ragged in the first two quarters but improved mightily in the last half, he said. The work of Edward Boyd and J. B. Wright also came in for honorable mention by the mentor.

A 30 yard pass Ellison to Hobbs late in the third quarter set the stage for a five yard scramble by Robert Wright for the tee-dee and Ellison tied Temple's score with a run-over extra point. Temple scored in the second quarter.

The Bulger's six first down beat Temple in this department by two thus giving a grain of satisfaction to the visitors.

Aycox is pointing for the first district go against Reckdale with a diligent search for a top drawer passer. He claims two of the "snatchiest" ends in anybody's league in Willie Williams and Hobbs.

1902-UT 6, Tulane 0  
1908-UT 15, Tulane 28  
1909-UT 10, Tulane 10  
1923-UT 32, Tulane 0

### Air Force Leads In Enlistments

A total of 4,525 Texans were reported to state Selective Service as entering the armed forces during August, 3,560 being separated during the same period.

Of the 4,525 individuals entering the Army, Navy, Marine Corps, 3,932 went in by enlistment or other voluntary means, the remaining 593 being drafted. All drafted men went into the army.

"Most of the drafted men actually were volunteers," Brigadier General Paul L. Wakefield, state Selective Service director, said. "A majority of the men now going into the Army through the draft boards volunteer for induction."

The Air Force led in the number of reported enlistments, but also headed the list of men separated.

Selective Service local boards sent only 138 men for mental-physical examinations in August. A total of 78 was found acceptable by the Army, the remaining 60 being declared unacceptable for service.

During August, Texas draft boards registered 6,745 males, nearly all of them 18 years of age.

"Prospects now are that these 18 year olds registering today will not be called upon to serve until they are 21 or older," General Wakefield said.

"Our state quota for many months have authorized us to induct only men 21 years of age or

### Three Arts Aids Child Welfare

The Three Arts Club members and their husbands enjoyed a barbecue dinner at the home of Mr. and Mrs. Hilbard Thomas with about 40 in attendance Thursday night, Sept. 15. This was the first meeting of the club for the new year.

Assisting the Child Welfare department is a project of the Three Arts Club this fiscal year announces Mrs. O. R. Hardin, club president. Members of the club will keep the Child Welfare Center open from 9 to 4 on the third Thursday of each month she says.

Next meeting of the club will be Thursday Sept. 22 at which the club, consisting of 21 members will hear Mrs. W. O. Triggs speak on World Affairs.

### Guest Wins 42 Club Honors

Mrs. E. O. Schiller was top 42 player and Mrs. William Balhorn runnerup with Mrs. Charlie Payne, president, winning the 84 spot at a meeting of the 42 Leisure Club which met with Mrs. August Kunz.

Jello and Angel Food cake were served to members and two guests who were Mrs. E. O. Schiller and Mrs. Jim Crouch.

Next meeting of the club will be at the home of Mrs. Richard Hollis on Sept. 29.

older. Of course, we can induct volunteers or delinquents at younger ages."

### Luthern Mission Becomes Trinity Lutheran Church

Trinity Lutheran church became a new name on the Cameron religious horizon Tuesday night, Sept. 13, at the home of the Arthur Von Rosenbergs.

Mr. Arthur Von Rosenberg served as temporary secretary. Mr. Walter Fuchs was elected to serve as treasurer.

Trinity Lutheran Church is especially interested in doing mission work in the immediate area of Cameron. The Lutheran group encouraged one another to do an extensive amount of personal mission work among their friends and neighbors in Cameron. The group also broadened their sights by seeing the need of carrying on mission work beyond the borders of Cameron. Therefore they voted to set aside 10 per cent of all offerings received by the congregation, and this 10 per cent give to World Missions. This is in keeping with the command of Jesus when He said: "Go ye into all the world, and preach the gospel to every creature." Mark 16:15.

Another step forward was taken by the Lutheran group when they decided to begin Sunday School Sunday, Oct. 9. Sunday School will be held at 9:40 a.m. in the IOOF Hall. Children of all ages will be welcomed into Trinity Lutheran Sunday School.

Trinity Lutheran Church also voted to begin worship services

### 65 Million U. S. Laborers

This is another encouraging situation in our nation and in our state. Employment, nationwide, is at an all time high at about 65 million. The total in July was up one million from the previous record set one month before (in June) and represented a gain of 5 million from the recession low in 1954.

In Texas the employment picture is encouraging. The Texas Employment Commission states in the August issue of the Texas Labor Market:

"By mid-September an increase of between 15,000 and 20,000 workers should have been made over a July nonfarm employment total of 2,735,300."

"The outlook is for continued new highs month by month through December."

at 8:30 a.m. instead of 8:00 a.m. beginning Sunday, Oct. 2. The public is invited to worship at this time in the IOOF Hall located directly behind the post office.

Those in attendance at this first meeting of Trinity Lutheran church were: Rev. and Mrs. Dewyth Beltz and son, Mr. and Mrs. Ernest Schneider and children, Mr. and Mrs. Walter Fuchs, Mr. and Mrs. Emil Bruedigan, Mr. Leslie Bruedigan, Miss Clara Reimer, Mrs. T. L. Lampkin, Mr. and Mrs. Arthur Von Rosenberg, and Mr. and Mrs. Alex Richardson.

The meeting was closed by prayer led by Rev. Beltz. Following this all enjoyed cookies and punch which was furnished by the ladies.

**does the milk you drink measure up to Superior Dairies' rigid standard of quality?**

A majority of housewives in Central Texas demand Superior Dairies' milk because they KNOW Superior Dairies' milk is finer quality, is fresher and tastes better.

The reason most folks in Central Texas prefer Superior Dairies' milk is because day-after-day... month-after-month... year-after-year... the quality and taste of Superior Dairies' milk never varies; each bottle and carton is of the same top quality as the next.

The preference for Superior Dairies' milk is no accident. In Texas' finest dairy plant... better quality milk starts right in the spotless receiving room; then rigid laboratory tests (in Superior Dairies' own laboratories) control this quality right to your own table.

There's good reason why more families in Central Texas demand Superior Dairies' milk... and that reason is that through the years folks have tried many brands of milk... and by trying them all... by comparing quality-for-quality... freshness-for-freshness... taste-for-taste... they've proven to themselves conclusively that NO MILK IN CENTRAL TEXAS matches Superior Dairies' milk for wholesome refreshment... for consistency of good taste... for freshness.

Superior Dairies invites you to TRY THEM ALL... and compare the quality yourself. We honestly believe that you, too, will join the thousands who KNOW that Superior Dairies' milk is more popular in Central Texas... because it's a BETTER TASTING, FRESHER, FINER QUALITY MILK.

### Braden Boys At Sam Houston State College

Bartley Braden, son of Mr. and Mrs. W. E. Braden of Cameron, has received his release from active duty with the United States Air Force for the purpose of attending college. Bartley will attend college with his brother, Wesley at Sam Houston State Teachers College at Huntsville.

Bartley served four months at the School of Aviation Medicine at Randolph AFB, San Antonio where he was assigned to the Dental Research Division before receiving his release.

Bartley is a graduate of Yoe High School where he was a member of the football, basketball and track teams.

### M. H. Baylor Gets New Gifts

An East Texas widow, Mrs. Jessie Nolen of Canton, has given half of her sizable estate to Mary Hardin-Baylor college. Dr. Arthur Tyson, president, has announced. The other half of the estate, which is now being evaluated by the endowment department of the Baptist General Convention of Texas, will go to East Texas Baptist College, Marshall.

According to present plans Mrs. Nolen's estate will be held in trust by the Baptist General Convention until her death, at which time it will go to the colleges, Dr. Tyson explained.

This is the second such gift received by Mary Hardin-Baylor college since Dr. Tyson assumed the presidency last fall. The other gift was an estate valued at an estimated \$120,000 given to the college by M. T. Goodman in October, 1954. Mr. Goodman, a Port Isabel real estate broker, designated his gift for a physical education building, the construction of which

got under way early this month. In July the college received a pipe organ, valued at \$40,000 to \$50,000 from an anonymous donor through the Second Baptist church of Houston. The organ is now being installed at the college.

### Cameron Bowlers Organize Leagues

Seven Women teams formed a league under rules of the Women's International Bowling Congress rules Tuesday night. They still need one more team of five members to complete the league, according to Mrs. Laake, president. Anyone wishing to bowl this year should contact either Mrs. Laake or Mr. Emil Hollas.

The men completed arrangements for their league to be under the American Bowling League rules. Dr. John Boyce president of the Columbus Club presided at the organizational meeting and Mr. Fred Lota explained the rules of the American Bowling League to attendants. He is with the ABC. Dr. Boyce expressed hope of creating a "Twilight League" for beginning bowlers only within the next few weeks. The Twilighters would bowl each Saturday evening.

### Scholar Of The Bible And World Religion To Speak On Sunday

Mr. J. R. Gilla, Assistant Presiding Minister and Ministry School Instructor of the local congregation of Jehovah's witnesses, will speak Sunday, September 18, at 3:00 p.m. on the subject, "Choosing the Right Religion." Mr. Gilla served as a full-time missionary for two years, during which time he traveled in many states and three foreign countries lecturing.

Of all the world religions which one is the right one? You may say, "that's like finding a needle in

a haystack." So it would be if it were not for the magnet of God's Word, the Bible to draw out that needle. It is the standard for judging all religion. A portion of this talk deals with the process of elimination, to see which is right on that basis.

The Kingdom Hall is located on the west side of the square in Cameron. Admission is free and no collection will be taken.

### Education Gets Baptist Boost

Southern Baptist churches in every community of Texas will join next Sunday, Sept. 18, in a simultaneous program of giving for state missions and Christian education.

A goal of \$700,000 has been set for the Mary Hill Davis Offering which will be taken in worship services during the day. More than 1,320,000 members in 3,452 churches are expected to participate.

Of the \$700,000, \$200,000 will be used for such purposes as building new churches and purchasing new property, helping finance rehabilitation programs in rural churches, salary supplements for small congregations and missionary endeavors among the Spanish-speaking people of Texas.

The remaining \$500,000 will be used for erecting new college and university buildings, new classrooms and facilities, new instructional equipment, increasing the permanent endowment of Texas Baptist schools and in other ways providing for expansion and increased enrollments.

Educators are now saying there will be twice as many Baptist students in Texas colleges by 1963 as there are today, three times as many by 1968.

## Order Releases Sweet Potato Shipments

A serious stumbling block to the quick sale of Texas sweet potatoes was removed by an order John White this week, temporarily exempting unclassified grade potatoes from legal packaging provisions.

Shipments of sweet potatoes began to bog down when a shortage of legal - sized containers developed. The new Sweet Potato Law, which went into effect earlier this month, required that all commercial quantities of these potatoes meet grading and inspection standard requirements and be packaged in specified containers.

Commissioner White announced from Austin Monday that, effective immediately, sweet potatoes of unclassified grade may be shipped in bulk, when necessary, instead of boxes.

White emphasized, however, that the order was only a temporary

measure until a supply of approved boxes and crates would be obtained. Bulk shipping of unclassified potatoes will be prohibited after Nov. 15.

Office Chamberlain Opens Life Insurance Office Here  
Office Chamberlain, life - long Milam County resident, announced today that, after much consideration and study, he has become an agent for the Commerce Life Insurance Company.

He explained that prior to accepting the appointment he thoroughly studied the policies of various firms and found the seven policies and variations offered by the Commerce best able to fit the needs of every person and budget. Chamberlain, who is well known in Cameron and this vicinity, having been in the dairy business here, and more recently in the Parks department at Burkes - Howard, stated that he will be available for appointments with clients or prospective clients at any time convenient to them. He urged all those contemplating purchase of insurance - especially those the Commerce plan to be sure they make a final decision.

## Blaze On N. Orchard Quickly Controlled Tuesday Morning

A fire at 705 N. Orchard at 3:45 Tuesday morning caused comparatively small damage. The home, occupied by Sam Deboise and his family apparently caught fire from a kerosene lamp. Fire Marshall John Eanes reports.

The Marshall was well pleased with the turn out of volunteer firemen.

Sammie Dell Markham In Corpus Christi

Sammie Dell Markham was a visitor of her parents here in Cameron this weekend. She was previously employed at McLain Wholesale here in Cameron but now is holding a position at Southwestern Oil and Refining in Corpus Christi.

## Pleasure and Profit Holds First Meeting

The first meeting of 1955-56 club year for the Pleasure and Profit Club was held Thursday Sept. 8, in the home of Mrs. Leo Jackson. The president, Mrs. David Schapiro called the meeting to order and extended greetings to our new members. Miss Ada Margaret Smith and Mrs. Marlin Harris. The club collect was read.

An installation of new officers was held. As each new officer was presented a red carnation corsage was pinned on her by the outgoing officer. New officers are: president, Mrs. Imogene Haraway, vice president, Betty Humble, secretary, Vivian Schiller, reporter, Henrietta Burkes. Mrs. Haraway presented Mrs. Schapiro with a beautiful tray in recognition of her service as president.

The yearbook chairman, Mrs. Burkes presented the new yearbook, "Texas Literature and Folk Lore." The cover boasts a map of Texas with "State of Happiness" written across it. The club organization date of August 16, 1944 appears on the lower left. She closed the introduction by reading "I'm Going Down To Texas" by Charles Evans.

Standing committee chairmen appointed by Mrs. Haraway are: Community projects, Mrs. Marge Schapiro; Yearbook, Natalie Archer; Membership, Gail Jones; Sunshine, Mrs. Jeff Graham.

The club was complimented by its interest manifested in the library activities. This was aptly received by the members as they were among the first civic organizations to sponsor a library for Cameron.

Refreshments of iced punch and cookies were offered the sixteen members. Club adjourned to meet Sept. 22 with Mrs. Vivian Schiller as hostess.

## Jeanette Richter Shows Champion Turkey

Jeanette Richter, daughter of Mr. and Mrs. Johnnie Richter of Cameron, Route 1, showed the champion turkey at the Cen-Tex Fair in Temple, Tuesday, according to J. D. Moore, County Agent. Johnnie Richter Jr. showed two blues and two red ribbon entries in the turkey division.

Jeanette and Johnnie Jr. started their turkey demonstrations in March of this year, with 50 bronze poulters each. Jeanette's turkeys were sponsored by the Sears Foundation working with the Extension Service. Jeanette's Grand Champion will sell at the club auction Friday morning of this week. E. D. Parnell, Professor of Poultry at Texas A & M judged the show.

Bernard Jungmann, son of Mr. and Mrs. Robert Jungmann of the Yarrington community, showed his registered Jersey heifer to a second place.

Henry Tomasek, Jr. and Alton Moraw will show their registered swine Wednesday at 8 a.m. Mr. J. W. Stufflebume Jr., County Agent of Washington County, will judge the swine. Mr. Stufflebume is a former Milam County Agent.

## Sharp School Opens With 180 Enrollment

The Sharp school opened Sept. 5 with an enrollment of 180 pupils with 35 registered in high school.

The Sharp faculty of eleven teachers is complete.

The new teachers are Mrs. Ray Green, Mrs. Eleanor Warren, and

Selby Smith, who is the co-ordinator. Sharp has a two - teacher negro school.

George M. Lamb is superintendent of the Sharp schools.

## Angell Recuperates

James Angell is recuperating at his home, 1612 N. Hoover following eight weeks hospitalization in a local clinic.

## Observe Connie And Dianne Destruction

Mr. and Mrs. F. J. Karnowski and their daughter, Mrs. George Wessels of San Antonio have recently returned from a trip to Alcoa, Tenn. and Washington, D.C. where they visited their two sons. Following the visit, the Karnowskis drove through the beach area of North Carolina where they saw most of the damage done by the hurricanes Connie and Dianne.

## Youth's Safety Depends Heavily On Parent Example

"Many so-called model parents are far from model in setting a good example to their children in safety practices."

Too often parents treat children as if they were deaf, dumb and blind. They don't realize that children have keen minds and pick up their first habits, good and bad, from their parents. This is especially true of safety habits which are a responsibility of parents, and a grave responsibility which they are sometimes inclined to overlook.

"Safety begins at home," Mr. McFadden said, T. S. A. president, and parents should be sure they set good examples in their own safety practices for their children to follow. He asserted that parents themselves often are victims of their own carelessness, or are responsible for accidents to their children through failure to stress safety measures in their own behavior around children.

"How many fathers go through red lights, weave in and out of traffic and ignore other safe driving rules while their own children are riding with them?" he asked. "How many mothers jaywalk, beat fights, and disobey good safety precautions while accompanied by their children? Yet these parents scold their children for doing the same thing."

Mr. McFadden reminded parents that National Safety Council figures show that more than 4,000 children under 15 will die in traffic casualties this year unless these accidents are prevented by better safety education of children at home.

"It simply doesn't add up," he said. "If parents want to do right by their children, they must set a good example in everything they do. If they want to instill in their children the necessary precautions which will keep them out of the list of 'scheduled' accidents each year, they had better inventory their own safety habits and make sure they are setting good examples for their children."

Mr. McFadden outlined basic lessons in safety which parents should check themselves on before teaching them to their children.

"Be safe parents," he urged, "and you'll have safe children."

## Johnny Gelnor Made FFA Prexy

Future Farmers of America Year chapter, elected the following officers at their regular meet on Sept. 5, 1955.

President, Johnny Gelnor; vice president, Paul Hoelscher; sentinel, Theodore Fuchs; reporter, Charles Marow; treasurer, Carroll Jungmann; secretary, Dwayne Jekel.

These officers will serve until the first of September 1956 and have an active program mapped for this school year.

## October Plentiful Foods Listed

Featured spots on the USDA's October plentiful foods list go to pork, rice and potatoes, generous supplies of beef, broilers and fryers, canned tuna, pinto beans, cheese and other dairy products are available.

Too, grapes and vegetable fats and oils are in heavy supply. The Texas sweetpotato crop is moving and supplies make it a good buy. Homemakers, because of the many dishes in which sweetpotatoes can be featured should find this root crop a food bargain.

The monthly plentiful foods list is based on a survey of food stocks in the major trade territories of the region.

## NEW DEAL

Having heard of Texas chivalry, I was not surprised to see two young men pull up behind my car when I had stopped to change a

flat tire. I was surprised however, when neither chap moved from the car. As I struggled with lugs, spare and wrenches - still with no offer of help - I grew more and more annoyed.

After I finally kicked the hub cap into place and slammed my tools into the trunk, one young man sauntered over to me. "Congratulations, ma'am," he said. "My buddy bet me \$25 you couldn't do it, and y'know what I'm gonna do? I'm gonna split with you." And he handed me \$12.50.

## National Guard Is Best Deal For Youth

The National Guard still offers the best deal to the young man of draft age who is faced with fulfilling his military obligation, despite some provisions of the newly enacted Reserve law.

That opinion was expressed by Maj. Gen. K. L. Berry, Adjutant General of Texas. He made it in a letter received here recently by Capt. James T. Terry, commanding officer of the local National Guard unit, Battery C, 64th Artillery, 1st Cavalry Division.

General Berry listed several of the new Reserve law as they affected the National Guard.

He pointed out that the new law as did the old 1951 law, still provides that a young man who enlists in the Guard before becoming 18½ years of age is exempt from the draft as long as he attends 90 percent or more of his Army drill periods and summer camp each year. The National Guard training schedule calls for 48 weekly Army training periods usually 2 hours in length - and two weeks at summer camp.

A Guardsman who enlists in a unit prior to reaching 18½ years of age must, under provisions of the new reserve law, remain in the Guard until age 28 in order to keep his draft deferment. However, if he applies for and goes on active duty for 3 consecutive months - 90 days - he can cut his Guard time to 8 years and fulfill his military obligation.

Commenting on the so-called "limited UMT" provision of the new Reserve law - which permits a young man to volunteer for 6 months of active duty to be followed by 7½ years of service in the reserves - General Berry had this to say:

## DRAWS MORE PAY

"The Act gives the National Guardsman who takes this six months training one definite advantage over the Reservist - the Guardsman gets the pay of a Private at \$78 a month, while the Reservist must do his training at \$50 a month."

"A young man gets all the breaks if he enlists at 17 to 18½ years of age in the National Guard. He takes his six months training at \$78 a month and goes into the Stand - by Reserve, if he chooses to do so, at from 25 to 26½ years of age."

The new Armed Forces Reserve Act was passed by Congress and signed into law by President Eisenhower late last summer. It has as its aim the building up of a ready reserve force of approximately three million men who can be called immediately in case of a war. It provides that almost all men who go on active duty from now on - either by enlisting or by being drafted - will be required to serve actively for various lengths of time in military Reserve organizations after they have been released from active duty. This means they will be required to take part in 48 weekly drill periods and two weeks of summer camp each year, or as an option, serve 30 days of summer camp. The length of time they are required to train actively in the ready reserves varies in proportion to their time on active duty. For instance, a man who serves two years on active duty then is required to train actively in the ready Reserve for three years, before being transferred to the Stand - by Reserve for another year.

## Senator's Worries Turn From Own Heart to U. S. Economic Heart: The Farm

Besides entertaining Miss Wool at his ranch at Johnson City, Texas, the House Majority leader is writing letters to editors pertaining to the plight of the farmer. No Political Football: (says a paragraph in his recent such letter) "I am not trying to make the farm situation a political football. What I want is a farm program that is good for the farmers and good for the country. Politics have such a program at present or no politics, I don't believe we

sent. I think the constantly falling farm prices are a direct and predictable result of the agricultural policies of the present Administration.

"What do YOU think about this? I will be very glad to have your ideas."

## Pan American Road Race Film To Be Shown Here

The first public showing locally of the 1½ hour color sound movie of the 1954 Pan - American Road Race is scheduled for the Simon 26 at 8:00 p.m.

The movie, covering the entire 5 day race, was made by I & W Products, Inc., automotive chemical manufacturer. I & W sent a 9 man crew to Mexico to cover the race from start to finish. Included in the film are starts, finishes, dangerous intermediate points, aerial views and a number of thrilling spins, skids and accidents.

Camaras mounted in several of the race cars afford the audience the opportunity of 'riding' in a race car at speeds up to 150 miles an hour.

The 1954 race was run over a distance of 1,908 miles, starting at Tuxtla Gutierrez, near the Guatemalan border, and finishing at Ciudad Juarez, across the Rio Grande River from El Paso, Texas. In its fifth running, the race has truly become an international classic, with 154 entries representing 14 countries.

Admission will be free, but due to the limited seating capacity, it will be necessary to have an invitation. These are obtainable from one of the local automobile dealers, garages and service stations who are making this local showing possible. A list of the co-sponsoring dealers will be published in Thursday's paper.

## Retarded Child Subject of Rice Hotel Conclave

The sixth annual convention of the National Association for Retarded Children will be held Oct. 12 - 16, at the Rice Hotel in Houston. "Making a Brighter Future for Retarded Children" is the convention theme. The convention's honorary chairman is Mr. Leopold Meyer of Houston; and convention co-chairmen are Houstonians Mrs. Wood H. Bruder and Mr. H. A. Pecore, Jr. Mrs. Bruder is a past - president of the Texas Association for Retarded Children and Mr. Pecore is president of the Texas Association and a member of the Board of Directors of the National Association.

Parents and friends of the mentally retarded (there are approximately 172,000 in Texas) throughout the State are working closely with the Convention Committee in Houston in preparation for the convention. Attendance is expected to exceed 1000. The public is invited to attend.

Reports of nationally known speakers on the care and educa-

## Local Girls Attend Nursing School

Three members of the new pre-clinical class at Providence School of Nursing at Waco, are from Cameron and one from Buckholts.

They are Miss Rudolphine Hoelscher, daughter of Mr. and Mrs. H. W. Hoelscher, Miss Ethel Mae Jistel, daughter of Mr. and Mrs. H. J. Jistel, both of Route 1, Cameron, Miss Barbara Johnson, daughter of Mr. and Mrs. R. M. Johnson, 615 E. 6th Street, Cameron, and Miss Emily Hubnik, daughter of Mr. and Mrs. P. C. Hubnik.

tion of retarded children, up-to-the-minute information on research in education and medicine, and on federal and state supported programs, will be of tremendous value to all concerned with mental retardation.

Forms for advance registration and detailed information on the convention are available upon request. Write or call: NARC Convention Committee, 3410 Montrose Blvd., Houston 6, Texas. Jackson 3-0026.

Route 2, Buckholts. All four students are 1955 graduates of Yoe High School.

The nursing class of 21 members began their professional careers on September 1, when they registered in the school office. The students were honored with a reception in the doctors conference room following registration and at the home of one of their instructors with a garden party during the week.

The first week was spent in orientation and initial instruction. The students will spend their entire three months of Providence instruction in the sciences will be taken at Baylor University in conjunction with the Providence School of Nursing.

## Destroy Stalks Says Ag. Man

Destroying cotton stalks immediately is the only way to curb the tremendous rise in pink bollworm infestation says U. S. Department of Agriculture representative Guy E. Orr who has been testing gin trash in the five county area immediately adjoining Mil-

lam. December 15 is the mandatory deadline set up by the agriculture department for destroying the stalks but Mr. Orr points to the year by year increase since 1950 as indicative of a need for speed in this operation. In '50 the Milam County percentage of worms per bushel was .004 rising to .006 to .69 to 2.57 in 1953 to 17.76 in 1954 and the fantastic rise to 133 per bushel in this year's report.

Shredding of the stalks and then plowing as soon as possible will help control the bollweevil as well as the pink bollworm says Mr. Orr. All emphasis needs to be put on the point of destroying the stalks early he emphasizes.

### Let's Talk Livestock

By Ted Gaudy

#### NEW RECORD OF 2,496 ANGUS CALVES IN SALE

Fort Worth - A total of 2,496 feeder calves were sold in the feeder calf sale at Fort Worth, Sept. 9. This was 2 1/2 times the number at the July sale.

The cattle brought consignors an average of \$98.84 per head. Top price was \$23.00. Top pen of feeder steer calves were exceptionally heavy, weighing 657 pounds, and brought \$22.

Most of the choice steer calves and yearlings sold in the \$20 to \$20.50 bracket, and the better heifers sold mostly around \$17.50 to \$18. Common kinds sold down to \$14 and \$15.

#### BIG CATTLE RUNS REPORTED MONDAY

About 157,000 cattle and calves were reported at 12 major markets by the USDA market news office at Fort Worth Monday. Several corralbelt terminals reported the largest runs since last Fall. Fat steers and yearlings were steady to easier there, and most grassy cattle were inclined to ease. Popular prices on feeder cattle ranged around \$18 to \$20, with some calves and light yearlings to \$21 and above sparingly.

#### HOGS OPEN STRONGER WITH TOP \$17.50

Good and choice butcher hogs topped at \$17 to \$17.50 at Fort Worth Monday. Again the top prices were paid for both meat type and lard type hogs, and some butchers weighing up to 160 pounds and above drew up to \$17.

USDA reported that on a recent week the cutout values of the No. 1, or meat type, averaged 92 cents above the cutout values of the No. 3, or lard type butcher hogs.

Despite this salesmen still have a hard time getting slaughter interests to pay the premium that the meat type obviously deserves.

### S. C. S. Reports High Schwanke Corn Yield

August Schwanke and son, operators of Mrs. Elsie East's farm about 7 miles East of Coupland increased the corn yield in one field about 50 bushels of corn per acre. Technicians from the Soil Conservation Service made two checks last week to determine the yield. On the thinnest land the yield was 51 bushels per acre and on the best part of the field the yield was 66 bushels per acre.

Before soil and water conservation practices were applied to this field it had been severely eroded and was about to be abandoned. The last time it was planted in corn was in 1942. The yield was so poor that Mr. Schwanke did not bother to gather it. After contour cultivation for several years and planting it to Hubam clover for the past two years and turning the clover under, it was fertilized with poultry manure and litter from broiler houses. The manure and litter were applied at the rate of 7 tons per acre. In June this year the corn averaged 7 1/2 feet high.

### Researcher Tells Of Sesame Being Door To Profits

"Open Sesame" and you will find one of the finest cooking oils in the world today. Sesame is raised now in Texas and is extensively used commercially as a cooking oil and is a wonderful soil building crop it was explained at a meeting of interested business men from Milam, Williamson, Bell and McLennan counties at the Cameron Country Club Tuesday night.

Mr. Huey Whitehurst, agronomist with the Texas Research Foundation, explained to the assembly the extensive research of his foundation in the field of agriculture. "We respect all other agriculture organizations and feel that there is absolutely no duplication in our work," the speaker said. He used colored slides with his talk.

Mr. Oxsheer Smith was chairman of the meet and introduced the speaker who introduced the subject of Sesame as being the "Door to greater profits for the farmer."

Mr. and Mrs. Joe Rowland and Diane of Lake Jackson visited his mother Mrs. N. H. Rowland and sister Mrs. R. G. Grabein the past weekend.

### Civilian Defense Manual Ready for First Printing

A manual which is to control the civil defense planning and testing for which Congress has appropriated \$10,000,000 will go to the Government Printing Office shortly under the title, Federal Civil Defense Administration Survival Plan Manual, M27-1.

FCDA says the manual pulls together the thinking and experience of the agency during the past particular areas. FCDA says the States and political subdivisions which formulate the plan will be two years in the evacuation of critical target areas, reception, shelter and the return or resettlement of displaced populations.

It tells how to establish an area survival plan, not what the plan will be. It is intended to standardize the steps to operational readiness so that FCDA may effectively supervise and subsidize them.

The final step will be the testing of an actual plan for each required to test its operational readiness "adequately" - for evacuation, reception and shelter operations - particularly in fields where difficult problems are anticipated - within six months after completion of the plan. The divisions will review the results of the test and will have to revise their plan where necessary. A plan project will be considered completed only when it has been so tested.

The manual will outline the diverse information which must be gathered in order to formulate an Operational Survival Plan. Study areas or fields, for instance, will include the location of population and of transportation, the traffic capacity of escape routes, the system of controls and communications required, the organization of reception areas and supplies, the analysis of blast shelters available along evacuation routes, radiation cover from fallout in reception areas, the problems of the return and resettlement of evacuated populations, the reestablishment of government and other problems which thinking and tests so far have shown we must not overlook. They will include informing the public of the plan and securing public support and understanding.

The manual will not present a plan of survival to fit any city, but the procedure whereby any city may fit itself with a plan that will work in its own particular circumstances.

Mr. and Mrs. O. H. Reynolds took their son to Lubbock for his second year at Texas Tech on

Tuesday. Billy Joe is a graduate of Yoe High.

### Milam H. D. Agent Resigns; Vet Land, Roads Discussed

At the meeting of the Commissioners Court Monday, the Court accepted the resignation of Alice G. Hughes as County Home Demonstration Agent, effective Oct. 15. Judge Smith said the court accepted her resignation reluctantly and he wanted to express their appreciation for her loyal and cooperative service which has extended over a period of the last 4 years.

The last Legislature enacted as law House Bill No. 341. As a re-

sult the Commissioners Court of each county appointed a committee of at least three citizens to advise the Veteran Land Board on the purchase of land by veterans under the Veteran Land Program. The committee will process applications submitted by veterans and pass on the eligibility of the purchaser and the land. The court appointed from Milam county the following: Robert Glenn, Route 1, Camerton, chairman; A. K. Gurecky, Cameron; Louis Rinn, Rockdale; Nelson Davis, Route 1, Buckholts; Bill Gause from Gause.

The court adopted the provisions of a minute order of the State Highway Commission designating the following farm to market road projects for Milam county:

From FM road 1600 (Salen) near Little River southwest to FM road 437 (Rockdale to Davilla) a distance of 3.6 miles. This includes a new concrete bridge across Little River at Holtzclaw Crossing.

From U. S. Highway 191 near Maysfield (Hardshell Baptist Church) north to the Little River Church, 3.5 miles.

From FM road 437 at Val Verde west to the Bell County line, 1.2 miles.

By adopting the minute the county agrees to finish without expenses to the State Highway Department all required right of way, which must be 100 feet in width.

The State will build these paved

roads at an estimated cost of \$169,000, and after construction will assume maintenance.

### Mrs. Dosch Falls Ill During Cameron Visit

Mr. and Mrs. R. W. Gielen and Mr. and Mrs. R. B. Dosch and son visited Mrs. Ray O'Neill over the weekend Mrs. Dosch and Mrs. Geilen are both daughters of Mrs. O'Neill.

Sunday afternoon Mrs. Dosch underwent an emergency appendectomy at St. Edwards hospital. She is improving quickly and is soon expected to be well enough to fully convalesce at her mother's home.

**Civil Service Jobs Open**

The U. S. Civil Service Commission announces examinations for Nursing Assistant (Medicine and Surgery), and Nursing Assistant (Psychiatry) at \$2960 per annum, also for Gardener at \$1.16 per hour for employment at the Veterans Administration Center, Temple, Texas. Full information and applications may be obtained from the Post Office, or from the Executive Secretary, Board of U. S. Civil Service Examiners, VA Center, Temple, Texas.

Arthur W. McKnight, Publicity Director for Texas Society For Crippled Children was a visitor in the Herald briefly Sept. 15. Mailing pieces for the Crippled Children's Easter Fund appeal were in his hand. These printed pieces proved to be quite as attractive as is the cause for which they are intended.

Mrs. R. J. Woodum is chairman of Milam County Chapter of the Texas Society for Crippled Children.

a responsibility that should never be sidestepped.

**Wedding Date For  
Miss Bessie Trdy  
Announced**

Mr. and Mrs. John Trdy announce the engagement and approaching marriage of their daughter, Bessie to Wesley Hyzak of Granger. The wedding will be an event of October 11 at St. Monica's Catholic Church.

**Social Security  
Payments Held  
For Beneficiaries**

A considerable number of widows, young children, and aged parents of working people who died between June 1940 and September 1950 have failed to claim the monthly benefits payable to them under a 1954 change in the social security law, announced

James B. Marley, manager of the Austin social security office. Those who do not apply for their benefits before Oct. 1, he pointed out, will not be able to receive benefits for all the months back to September 1954, the effective date of the new provision in the law. Under this provision, it is now possible to pay monthly social security benefits to the qualified survivors of workers who died between June 1940 and September

1950 if the deceased wage earner had credit for as little as a year and a half of work under social security. The families of many of these workers applied for benefits at the time of the family breadwinner's death, but were told that they could not receive payments because under the law, as it then stood, the worker had not earned enough social security credit to provide survivors benefits for his family.

Monthly benefits under this provision may be paid to the aged widows of such workers who at the time of death had worked on jobs under social security for at least a year and a half - to surviving children under 18 years of age, and to their mothers. Where no widow or children survived the worker, payments can be made to his parents if he was providing their support.

From where I sit ... by Joe Marsh

... Makes a Man Healthy,  
Wealthy—and Tired!

ndy Peterson's nephew Pete gone back to college. He ed on Sandy's farm a couple onths last summer to get ened up for football.

seemed to enjoy farm life ght—but like most city kids k him some time to get used armer's schedule.

ndy claims that when he in to wake Pete—on the morning—the boy looked up led and asked what time it Sandy replied it was four n. "Gee," Pete murmured, e're going to do a day's work row you'd better get to bed!"

From where I sit, we must have heard a million stories like that. But they show how some people assume their customs are the only proper ones. To most city folks getting up at 4:15 seems odd, because they don't do it. Just like some people don't think enjoying a glass of beer is "right" ... because they happen to prefer another beverage and haven't waked up to the fact that everyone has a right to his own choice.

Thirty acres of rolling cropland will be protected against sheet and gully erosion by 1.3 miles of large channel type terraces, which have been laid out by the Soil Conservation Service personnel of Bartlett on the R. L. Sutherland farm 3 miles south of Bartlett. Sutherland, who is a cooperater with the Little River - San Gabriel Soil Conservation District, has employed a maintainer to construct these terraces. A Bermuda grass pasture which was previously prepared for this purpose will serve as a disposal for the terrace system. Sutherland and his tenant Albert Pacha will use soil improving legume crops and contour tillage operations to aid the terrace system in functioning properly. The

use of soil improving legume crops will also improve soil fertility and structure while protecting the land.

Five waterways have been laid out and sloping operations started on the farm of district cooperater Ernest Groba, 5 miles northwest of San Gabriel, Texas. These waterways will serve as disposal areas for approximately 4 miles of field terraces, which will be constructed after the waterways have been established to Bermuda grass. Completing the necessary shaping operations at this season of the year will allow Groba ample time to carry out the operations necessary in preparing a desired seed bed for spring sodding say Soil Conservation Service personnel at Bartlett.

## Old Cotton Belt Ass'n. Officers And S. W. McClaren Meet

Officers of the Old Cotton Belt Association of Texas and S. W. McClaren of Cameron, District Bureau, met recently with the state Agricultural Stabilization and Conservation committee and had a most successful meeting, and were pleased with the cooperative spirit shown by all in attendance.

Meanwhile, OCBA officials reported that the association now has members in 47 counties.

## Milano Students, Away From Home

Those enrolled in Colleges from Milano are: Don Bullock, sophomore at Baylor University; Ronald Westbrook, Jimmy Pratt and Jerrell Hodd, freshmen at A&M College; Billie Jean Lagrone and Barbara Ashley are attending business school in Austin.

## Safest Device In Your Car Still You

The Highway Safety Council of Texas said today that improved safety devices on 1956 model automobiles may lure motorists into a "false sense of security on the highway."

Attention to safety in automobile design and special accessories is universally welcomed by safety officials, but there is a fear that drivers may react with a false sense of security on the highways says Safety Director G. C. Morris.

"Gadgets may help reduce the seriousness of injuries in automobile accidents, but owners should not assume that a safety - belt reduces the necessity for maintaining each automobile in top safe operating condition. A collapsible steering wheel has long been needed in automobiles, but we still need to concentrate far more attention on the operating safety of the steering mechanism itself."

The belated attention to mechanical safety helps place our safety problems in perspective at last."

## Tears Release Thought Processes Says Authority

Tears at the right time can actually benefit your body and even help you think better, Morton M. Hunt points out in the October Reader's Digest.

But bottled - up sorrow can cause asthma, migraine headache and many other ailments. Dr. Erich Lindemann, psychiatrist in - chief of the Massachusetts General Hospital and a pioneer investigator of human grief, cites the case of the young nurse who had tended her father through long months of illness. When he died a well meaning friend sternly forbade her to cry in order to spare her mother's feelings and weak heart.

Inside a few hours she began suffering from intestinal distress and after a few days had a raging case of ulcerative colitis. Her body, denied its natural relief, was corroded away from within by the disordered impulses of her nervous system. Eventually she died, the victim of pent - up emotions. Weeping Brings Dramatic Dures

By contrast many patients with complaints ranging from a painful shoulder to recurrent nightmares have been dramatically cured by learning to weep. In her book Fight Against Fears Luch Freeman tells how she suffered for years from chronic colds and sinus troubles which vanished when her tears flowed.

Philosophers once contended that emotion and thought were an-

## Leo N. Harris Funeral Held

Funeral services were held from Marek - Burns Funeral Chapel Thursday morning at 10 o'clock for Leo N. Harris, 63, who died in Bryan where he moved 18 months ago.

When living in Milam County, Harris was a carpenter. Born April 29, 1892 at Tracy, Texas, Mr. Harris lived in the Ben Arnold community and Cameron until moving to Bryan.

Rev. Beasley of Bryan officiated and burial was in the Ben Arnold cemetery.

Survivors are his wife, Fannie and one sister, Mrs. Billy Casey of Taylor.

Mrs. Gus Evans Sr. has just returned from a week visit with her sister, Mrs. Jerry Hughes, in Holland, Texas.

Mr. and Mrs. A. W. McCullin attended a meeting of the Texas Safety Council in Tyler last week.

agonistic to each other. But modern medical science holds that release of our feelings may enable us to reason more clearly.

"Tears do not mark a breakdown or low point but a transition to warmth, hope and health," the author says. "And wisdom, for in the state of physical release which tears bring our thoughts can flow freely - bringing us insight and understanding we never knew were within our grasp."

## Constitution Week Observed by D. A. R.

Sarah McCalla Chapter, Daughters of the American Revolution had its first meeting of the year in the home of the Regent, Mrs. Henry M. Hefley, on Thursday, Sept. 15. This meeting was in observance of Constitution Week, Sept. 17 - 23, so resolved by the United States Senate and proclaimed by President Eisenhower.

The Yearbook Committee Chairman, Mrs. B. J. Baskin, presented the yearbooks. The Regent called the attention of the chapter members to the theme for the year, Patriotic Education."

The chapter opened its meeting with the singing of the Star Spangled Banner, which was followed by the reading of the ritual and the pledge of allegiance to the American flag.

Mrs. W. G. Gillis made a very capable talk on the Constitution of the United States, the bedrock foundation of our great nation. She reviewed the history of the writing of the Constitution and stressed its importance to every individual. Mrs. Gillis urged each of us to re-read the Constitution this week and reminded us that the more widespread the knowledge of our Constitution the better prepared we are to preserve our Government, its freedoms and blessings.

Our public school, at Mrs. Gillis' suggestion, is to have the Constitution presented and read this week. It is hoped that the American flag will be displayed by civic clubs, business firms and

## Taxpayers Relief Now In Sight

A revised estimate of U. S. Government receipts and expenses for the current fiscal year ending June indicates a substantial reduction in the deficit is possible. This automatically causes taxpayers to begin hoping for a reduction in taxes in the not too distant future. In January the deficit was estimated at \$2.4 billion. Now it is believed that this figure will be closer to \$1.7 billion, and in some quarters there is the prediction that even this figure will be smaller or even completely erased, vote getter? Possibly, for both the democrats and Republican credit. Voters on the other hand, however, realize that world force and events also enter the picture. The reduction in the deficit due to a rise of \$2.1 billion in estimated tax collections and a estimated increase in expenditure of only \$1.4.

The George Millers have returned to Cameron after a week's visit to Austin. They accompanied their

homes during Constitution week. The President General's Message was given by Mrs. Baskin and Mrs. G. A. McDermott presented national defense news.

Mrs. Hefley invited her guests into the dining room for refreshments. She was assisted in serving by Mrs. T. H. Criswell.

Out - of - town members present were Mrs. Criswell of Calvert, Mrs. H. T. Coulter of Rockdale and Mrs. D. E. Currie of Lott.

We're Inviting EVERYONE IN CAMERON

## Cub Pack Two Elects Officers

James Ray Fikes is new Denner of Cub Pack 2 assisted by Ronald McWilliams. "Keeper of the Buckskin" in the pack now is Craig Wallace.

Pack 2 met with their Den Mother, Mrs. Bill Wallace and assistant Den Mother Mrs. W. A. L. Robinson on Sept. 15.

"Ho Ho for the Pack" was sung

and a skit rehearsed by the Cubs to be given Tuesday Sept. 27. Robin Hood Caps and Quivers were made by the Cubs. Heaving the staff for distance was the game for the day.

Eight of nine Cubs in the den were present with ailing little Craig Wallace "attending" through the window of his bedroom. Two guests were David Lake and Eugene Wallace. Scout Eugene Wallace is Den Chief, Ronald Williams led the closing "Pledge of Allegiance."

## Cameron Classroom Teachers Association Hold First Meeting

Cameron Classroom Teachers' Association met in Ada Henderson Library, Tuesday, Sept. 13, for its first meeting of the year. Patsy Skeen, president, presided. Plans for the school year were discussed. Miss Skeen and Mrs. Sanford M. Layfield, vice president, will represent the organization at a state meeting at the Baker Hotel in Mineral Wells, Sept. 23 - 24.

## Story Tellers Perform Public Service For Tots

Two young girls keep the Cameron Library open on Saturday morning from 9:30 to 10:30 and 2:00 to 5:00 p.m. and just love to tell stories to the children who show up for the Story Hour.

Jack and the Beanstalk and Cinderella are on docket for dramatic - telling by Misses Carol Matula and Evelyn Love for the enjoyment of the tots who are fortunate enough to have parents to take them to the Story Hour Saturday morning Sept. 17.

Some new books have been donated says Miss Matula, who expressed the deep - felt desire for more tots to attend the sessions. Authorities feel that little ones will begin to love the library and the bookshelves as though they lived with the fantasy characters rather than grow to look at the library as a more or less archive of facts and figures for "Dull Learning."

The story - telling young ladies add, "Bring your child to the Story Hour while you shop."

## "Cock Of The Walk" Describes Villa As Real Yet A Myth

This is a talking book. It is made up of yarns about Pancho Villa. If you tell any one of them around these parts, you are likely to get another straight back at you.

Halden Braddy, professor and folklorist at Texas Western College, El Paso, describes Villa as a man "who lived as a real person but who died a myth." He tells swiftly and easily a good deal about the real person and his revolutionary activities - his support of Madero, conversations with General Scott, the fighting in the wind and sandstorm of Agua Prieta, the attack on Columbus. But it is the myth that emerges, the stories that are told by the southwestern oral informants and collectors listed at the end of the book, and by readers, for sure, who will at once match these stories with others.

The legendary hero built up by these stories follows a type pattern; a possible nobleman for a father; a first murder to avenge the honor of his sister; killing and banditry for noble motives, to liberate the peon and give to the needy; death by treachery to the cry of Viva Villa; and a restless ghost at last.

The myth does little to soften the hard and repellent thread of events, of ruthless killings and mutilations and torture and robbery, and women taken and cast aside. This is no folk hero for kids to idealize and follow.

But now you folks who were along the border in those days, or who are along the border now, light up and start talking.

How about that business of Villa's head, which legend says was stolen from his grave, displayed in a hotel room in El Paso, and sold? The way I heard it from an old man on a Mexican bus was that Washington wanted the head so that scientists could study the great brain, Mebbe so. Mebbe so.

And those bonfires built around the Mormon towns in Chihuahua. Last week in Arizona an old man stopped his gardening to tell me he was there when the townspeople prayed, and he heard it later himself from one of Villa's own men that the town had been surrounded by the marauders had swarmed aside and ridden away.

Then there was the miraculous appearance that saved the tower of the church of Santa Rosalie from Villa's gunfire. Miracles grow on Mexican soil.

This is a book for good talking in the Southwest. Furthermore it is a book for serious study anywhere in the country by those who are concerned with the curious legend - building processes that can shape and blue a man's portrait within a single generation.

A stenographer is a girl you pay to learn to spell while she looks for a husband.

## Railroader Improved

Mrs. Louis Absnider reports that her husband is greatly improved from injuries received in an accident in Coleman recently during the course of his duties with the Santa Fe. He is hospitalized in the Santa Fe hospital in Temple.

## Readers Meet Writers In Austin Round-Up

A literary event of note to all Texans interested in writing - or in reading good books - will be the seventh annual Writers' Round Up to be held in Austin Tuesday night, Sept. 20.

The informal party, open to the public at \$1, is given each year by Austin members of Theta Sigma Phi, the women's professional journalism fraternity, to honor Texas authors of the previous 12 months' top published books and to direct attention to the excellent contemporary literature being produced in Texas.

Colorful Madison Cooper of Waco, author of "Sironia, Texas," and "The Haunted Hacienda," published by Houghton - Mifflin, will be chief speaker, while J. Frank Dobie, dean of Southwest writers and folklorists, himself an honoree for his "Up the Trail to Texas," will be master of ceremonies.

For the first time, the Austin group will present an award to "the outstanding woman journalist of the year": this going to Pulitzer Prize - winning newspaperwoman Caro Brown of Alice, who'll be in Austin for the Writers' Round Up. Presentation will be made by Dr. Jessamon Dawe, formerly of Gonzales, Theta Sigma Phi chapter president.

At the Writers' Round Up, slated for 8 p.m. Sept. 20 in the Commodore Perry Hotel Ballroom in Austin, guests will have an opportunity to talk informally over a cup of coffee with the honored authors (plus many other writers and editors who always attend). They will hear Dobie and the honorees discuss their books and writing habits.

## George Blackmon Aboard U.S.S. Wiseman

Serving at Great Lakes, Illinois aboard the escort vessel USS Wiseman is George W. Blackmon, seaman, USN, son of Mr. and Mrs. Ivie M. Blackmon of Route 1, Cameron, Texas, and husband of Mrs. Alice F. Blackmon of Houston.

## Off To College Party Given By Nancy Grabein

Nancy Grabein invited a few friends to her house for an Off to College party before leaving Friday to enter Baylor University where she will major in Business and Office Administration.

The afternoon was spent reminiscing from the first grade thru the graduating class of '55 and looking over the new school annual they had just received. Many hearty laughs were heard during the three hours spent together along with the soft music from the record player.

Refreshments of sandwiches, potatoe chips, nuts, mints, and Cokes were served from the table decorated with a beautiful pink floral arrangement.

Parting time came with sad good - byes.

## Brownie Group Started Here

Little Diane Howard became president and Valeria Green, secretary of a group of Brownies, the child's auxiliary of the Girl Scouts of America.

The children, ages seven to ten, meet each Wednesday at the Ada Henderson Cafeteria at 2:30.

Mrs. Bob Lane Jr., Mrs. R. L. Bowen and Mrs. John Bryson are leaders of the group of 18 Brownies organized on the 14th.

Mrs. J. R. Parker of Jean's Alteration Shop has been organizational chairman and a leader of Girl Scout Troupe 2 in Cameron for the past four years.

The girls organization enjoys day camps in Ledbetter Park.

## First Birthday Observed

Alva Ray, son of Mr. and Mrs. Alvin Mullinax, was honored with a lawn party at the home of his aunt and uncle, Mr. and Mrs. Ray A. Tucker at Walker's Creek. Pictures were taken throughout the evening.
